JOE GANS WHIPPED SEIGER. Knocked Out the Hoboken Boy in Fourteenth Round at Baltimore. Baltimore, Md., Nov. 14.-"Joe" Gans, the light weight champion, got the decision over "Charley" Seiger of Hoboken to-night after hirteen and one-half rounds of hard fighting before the Eureka Athletic Club.

The negro champion was called upon to do some very hard work to best the Hoboken boy, who was no match for Gans 12 sparring or ring tactics. Gans blocked many vicious swings, but found that Seiger was capable of taking a remarkable amount of punishment.

was capable of taking a remarkable of punishment.

Seiger appeared very groggy at the end of the third round from right and left swings to the jaw. At each succeeding round thereafter Seiger appeared to be about all in at the sound of the gong. In the tenth Seiger went down from right swings to jaw, took the count and was saved by the gong.

In the eleventh Gans landed fourteen right swings to the jaw, any one of which would have put an ordinary man down and

The plucky Italian went down three times during the round, but after taking the count on each occasion, came back sm ling, ready for more punishment. He came up strong in the twelfth and thirteenth, and managed to hold his own, although being sent to the mat in the latter round. The champion rushed him in the fourteenth and had him down and practically out in one minute and twenty-five seconds. His seconds threw up the sponge to save him.

St. Louis this afternoon, according to the weather prophets, and on a dry and fast field the doughty Christian Brothers College eleven will engage in a gridiron battle at C. B. C. campus with the fast team from the Rolla School of Mines. While confident of victory, the Miners expect a hard game. The game promises to be one of the pest of the season on a local gridiron, and will attract a good attendance.

The Miners arrived last night at 7, and are quartered at the Laclede. The men look in the best of condition, and the team probably will outweigh Doctor Todd's eleven by six or eight pounds to the man. Coach Keenan is in charge of the Miners. He is confident of the success of his team and thinks the Miners will win by a score of at least 23 to 6. He basis this guess on the superior weight and experience of his men.

the superior weight and experience of his men.

"I understand that C. B. C. will play a kicking game if they cannot gain ground in the usual way," raid Coach Keenan last night, but the Miners will stick to "straight football," I have a pair of fast ends and with the interference that has been developed we should be able to offer an offense that C. B. C. cannot break up. The difference in the weight of the line men is not marked, and we have no decided advantage in that direction. We do not underestimate C. B. C., but think that they are in for a beating this time. My feam is much lighter than the team of last year."

PAVORABLE WEATHER CONDITIONS.

a larger assortment of plays and are better drilled in them than any other team in the city.

Captain Gregory and Prugh, the plunging full back of the Miners, will do the kicking for the visitors, but Coach Keeman says that he will not send his men in for a kicking game. In case the Brothers are forced to resort to a kicking game, C. B. C. adherents look for Jimmy Riordan to more than hold his own. The Miners are not likely to allow many big gains, and if the Cote Brilliante team can back the ball up close enough for a try from the field, Riordan will be called on.

Doctor Todd has not decided on just what men he will play in certain positions. Yesterday the team went through a fast signal practice for more than an hour behind closed gates. It is probable that O'Donohue and Mertens will both be in the game, though neither is in the best of shape. Mertens has a bad leg, but will be able to play with it in bandages. In case he goes in he will take his old position at left tackie. Captain Jackson is booked to play there, but if Mertens is able to get in the fray he will resume his old position at right tackie.

O'DONOHUE MAY PLAY.

O'DONOHUE MAY PLAY.

but iff Mertens is able to get in the fray he will resume his old position at right tackle.

O'DONOHUE MAY PLAY.

O'Donahue was out yesterday and Doctor Todd says that he will be able to play through at least one half. His hand is in bad shape, and he will also wear bandages. Bartiiff is down to play right tackle, but the presence of either O'Donohue or Mertens in the game will disclace him. Coach Todd will play either Schuitz or Coffman at right end. Zangs, who played on the C. B. C. eleven two years ago, has just recovered from a protracted illness. He is in good condition and was out for work yesterday. Either he or Kyle will be placed at right guard. Doctor Todd is anticipating a bruising game, and will have men in readiness to go in at a moment's notice to any position. Long and Downs will take care of left end.

Coach Keenan has selected the men for all his positions, except right end. Either Terrier or Kepler will hold down that position. The former probably will be put in at the start. Kepler formerly played in the back field. Heck, who will play right half for the miners, began the season playing at right tackle. He was injured early in the season in a game at Pierce City, Mo., and will get into the game to-day for the first time since he was put on the hospital list.

The miners have been defeated the West Ends of St. Louis by the same score.

The Marion-Sims team lost to them by a score of 21 to 0. The Normal School team of Warrensburg defeated them by a score of 10 to 8, and they lost at Neosha a week ago by a score of 6 to 5. Next Saturday they play Drury at Springfield.

The C. B. C. team will average about 122 pounds to the man, though this weight may be either increased or decreased, according to the final selections for line positions. The same will be called at 3 this afternoon on the C. R. C. gridiron. The teams will line up as follows:

C. B. C. Position, Rolla.

Lange-Downs. Left end. Landreth Jackson-Mertens. Left tackle. Hummsell Kyle-Zangs. will line up as follows:

The Washington University team departed for Iowa City early last night with several of the old guard missins. It is practically a substitute eleven that Coach White took with him, and even though Iowa was so badly defeated by Michigan, a forecast of the score does not give Washington a lookin in view of the work done by the Hawkeyes this week. White is still minus a full back. Sears, Lehmann and Tolson are gone, and it was not announced who would play in that postion. Snell, the new candidate for end, accompanied the team. The men who are making the trip are: Bischoff, W. Krause, Weber, Pitsman, Pieper, Cassai, Bothanti, Heinbecker, A. Krause, Smith, Gerstang and Snell, Tolson, Roberts, Hope, Gordon and Gable will be sadly missed.

Games in the Interscholastic League to-day will likely result in victories for Smith Academy and High School, as neither will have hard games. This morning at League Park, High School will meet the Manual Training School eleven and should roll up a big score. Smith Academy journeys to Al-ton for a game with the Western Military Academy chalets. The cadets have shown little quality this year, and the Red and White considers the game already won.

game that attracts most attention in The game that attracts most attention in the East to-day is the annual meeting of the Yale and Princeton teams at Princeton. As in former years, there are reports of weakness in the Yale team, but, in spite of this talk, the sons of Eli probably will rule strong favorites over the Tigers. While the Tigers have worked hard and are speedy, it is believed the weight of the Yale line will stop them. A low score is expected.

rate line will stop them. A low score is expected.

The Princeton team will have a real live tiger for a mascot. The tiger is said to be tame, and it is the idea of the Princeton men to lead him across the field in advance of the team before the game. It would be a good idea for Yale to be preceded on the field by a pack of bulldogs. Then, as a sort of presude, a curtain raiser that would whet the spectators' appetures for blood, the animals could be turned loose for a little fight of their own. There is only one thing that is lacking to make the rooter really happy nowadays, and that is that spectators are not allowed to carry hatchets with which to hack the initials of their class on the features of inoffensive bystanders.

Two important games are scheduled for to-day in the West. Michigan meets Chicago at Marshall Field, Chicago, this afternoon. Wisconsin plays the heavy Minnesota team at Minneapolas. While the outcome of the Minnesota-Wisconsin game is more doubtful than the result of the battle at Chicago, the latter game is a most important one for Michigan. With Chicago out of the way, the Wolve-lines need only to tan Minnesota on Thanksgiving and their title to the Western championship cannot be disputed. The Gophers should be easy for Yost's men, but Chicago is not regarded as easy. A week ag, the Marcons had little hope of making a respectable showing against Michigan, but in the last few days several of the cripples have got back in the game. Coach Stagg has worked the team hard, and in secret practice has developed some new styles of play that Michigan mae not be able to solve at once.

Dan E. McGuigan, Michigan's crack left guard, has been reported ineligible for the Chicago game, and may not play to-day. The Michigan Board of Control is looking up McGuigan's record. It is said that he played three years on the Drake University team of Des Moines, Ia. He was a member of the Michigan team last year. If he played three years at Drake, then he is not eligible to play on the grounds, that this is his fifth year in collegiate football, four years only being allowed under the rules of the conference colleges.

About 9 o'clock Mrs. Goldstein went to Grote's store on Eighth and Carr streets, where she had a check for \$15 cashed. She had \$39 when she entered the store and she put the money in a pocketbook and placed it in her bosom.

Mrs. Goldstein left the store and noticed a negro following her. As she reached her door, the negro caught her by the throat and took the burse.

Mrs. Goldstein and her husband chased the negro down Tenth street, but the negro dodged into an alley and eluded his pursuers.

DECLINE IN COPPER STOCKS. Panic Was Narrowly Averted in the Boston Market.

REPUBLIC SPECIAL. Boston, Mass., Nov. 14.—What came near bordering on a panic started to-day in the local market and there was a general unlocal market and there was a general unloading of copper stocks in the face of many rumors, one of which, to the effect that Thomas W. Lawson was in difficulties, was promptly denied by the operator.

Copper stock prices melted by points, with Amalgamated Copper and Copper Range setting the pace for the whole list. Both stocks threatened 50. Calumet, the bulwark of the copper shares, fell to a new low record for recent years, fix.

Similar losses were recorded throughout the copper list. Banking officials generally say that local institutions are in very strong shape and that the closing of the Central is without significance.

Tillie Made False Break at Lakeside—
Barrack Wins Again.
Chicago, Nov. 14.—Tillie, winner of the Suburban Handicap of 1828, heavily played in the third race at Lakeside to-day, ran away three miles in a false break before he could be pulled up. The race went to Inspector Shea, at 10 to 1. Evelyn Byrd beat Tammany a neck for the place. Barrack amezed another purse in his credit when he won the fourth race, making five straight victories for the old Derby horse. Weather cloudy and cool; track slow. Summary:
